Its I who should apologize. Apparently we sent a draft to MDA for their comments, but not to you, as we were waiting to hear from you on a meeting.

Attached is our draft response for your review.

Hussain,

I do apologize. I'm not recalling receiving a draft response. Was it sent electronically or via mail. To me or a manager above me (Jon Capacasa, David McGuigan)? Let me track it down, and review. Then I'll be able to answer your question in a more thoughtful manner.

Ashley

Hi Ashley,

Did you get the chance to review our draft response. If so, based on your review, what kind a meeting do you recommend, face to face or a conference call?
